## This Credit Union is Federally Insured

- National Credit Union Administration (NCUA) insurance is backed by the full faith and credit of the U.S. Government, just like the FDIC.
- NCUA insures accounts up to at least \$250,000.
- IRA and KEOGH accounts are insured separately up to \$250,000.

All funds in a “noninterest-bearing transaction account” are insured in full by the National Credit Union Administration through December 31, 2012. This temporary unlimited coverage is in addition to, and separate from, the coverage of at least \$250,000 available to members under the NCUA’s general share insurance rules.

The term “noninterest-bearing transaction account” includes a traditional share draft account (or demand deposit account) on which the insured credit union pays no interest or dividend. It does *not* include any transaction account that may earn interest or dividends, a negotiable order of withdrawal (“NOW” account, money-market deposit account, and Interest on Lawyers Trust Account (“IOLTA”)), even if share drafts may be drawn on the account.
